The Sale of Puppies is a **FINAL SALE.**

The purchase of your new puppy is a final sale. Your new puppy deserves a lifetime commitment and should never be an impulsive purchase. Please consider all the possible options before completing your purchase.

Puppies cannot be returned for any reason, including:

- My husband, wife or partner wants to kill me for not asking;
- The puppy is not getting along with other family pets;
- Our children or adults in the home have allergies;
- The puppy pooped on our new rug and ate our sofa;
- My landlord or lease says I can't have pets, or for any other reason.

Please sign below that you agree to our final sale policy.
